

Membership Application

Founded in 1932, the Frisco Garden Club is the oldest active service organization in Frisco and our members enjoy many exciting, fun, interesting and unusual activities. We help the community with our gardening projects and benefit youth with our Scholarships.

We are currently meeting via ZOOM. Members will receive an email from either the President or our Reservations Secretary at least a week before the meeting and will include the Zoom ID number and the Passcode. In addition to our business meeting, an informative garden related program is presented. Topics range from decorative flower arranging, native plantings, civic interest, conservation and most anything nature lovers enjoy and learning about.

Members are asked to assist on one of our Project or Standing committees and serve as a hostess at one of our monthly meetings. While the Frisco Garden Club has NO mandatory attendance policy, participation in the various clubs' function (community events, special meetings, fund-raiser and volunteer work on Club projects) make each member's contributions a valuable asset to our Club and community.

Members are also entitled to membership in numerous other garden clubs in the Dallas area, as well as, receiving Texas Garden Club's quarterly publication, *The Lone Star Gardener*. The National Clubs, Inc. is the largest volunteer organization in the world!

Membership Dues are \$25.00 per year (September – May):
